- A translation of [Cœur brisé, pas pour longtemps](#) by [MiaQc](#)

My name is Lena. I was born in the Guardian World, a world of magicians and summoners. After having met Denis several times, I feel something growing inside me. An attraction. Love. Yet I already have a relationship with Tiara and Kagetsu in the Guardian World, but I love Denis. He seems to like me and he really wants to make me happy, so we make love in a love hotel. His hands and lips on my skin make me tremble with pleasure. When his sword enters me, my body becomes hot with joy. I cry out his name, but Denis hardly moans. When we are finished, Denis strokes my hair, then his words break my heart.

"We mustn't see each other anymore, Lena."

"What? Why?"

"You know very well why. I want to please you, but my heart doesn't beat for you."

"But you..."

"Besides, you're not from my world. You couldn't live there either. Moreover, don't you already have lovers waiting at home?"

These words are cruel, but true. Tiara and Kagetsu. While Denis gets dressed and leaves the room, I cry in silence. I also get dressed and go back to the Guardian World. Tiara, seeing my face, doesn't ask me any questions. She invites me to join her with Kagetsu in bed to cheer me up. Our moans fill the room.
